Traditionally, we have the most and best trophies, awards and prizes of any Scholastic Chess Tournament. In the past, our local sponsors have also been generous with providing free tickets and/or coupons for sporting events and/or food services.

We normally have at least one chess master on site to provide limited group chess instruction and individual game analysis. This is free to all participants and is a good opportunity to receive some excellent chess instruction and analysis at no cost. We encourage all participants to have at least one of their own games analyzed. **One of the best and most effective chess learning techniques is game analysis.**

These chess masters are also often available for individual; team; club; group; and/or school lessons! Please inquire directly with these chess masters for rates; schedules; levels of play that they teach; locations where they teach; etc.

The host schools normally also provide some form of entertainment after the Tournament and before the Awards Ceremony. This has helped ensure that our Tournaments are unique in the Scholastic Chess world and also provides a wonderful opportunity for our kids to showcase their talent for 15 to 20 minutes to 400-500 people while we await the determination of the final results.

Please note the entertainment does not add extra time to the Tournament. It does allow you to be entertained [If you wish] while waiting for awards. If you do not wish to be entertained please leave the awards area until we commence actually handing out awards. This courtesy will allow those who wish to hear the entertainment to actually do so. This year we will ask anyone who is disruptive or disrespectful to our student entertainers to leave the awards area until awards are ready to be handed out. If you have no interest, go outside and play. In any event, please show all student entertainers the respect that you would like to receive if you were providing the entertainment. **[Coaches and Parents please help with this.]**

We also normally have chess vendors on site to provide the opportunity to purchase books, supplies, chess sets, chess clocks, etc.

Please email me at youthchessorg@aol.com or call me at my cell (661) 510-7118 or office at (661) 827-9068 or fax me at (661) 827-9077 if you have any questions.
